

# 24/7 BETTING ON THE WORLD'S #1 SPORTS TOURNAMENT

AVAILABLE  
NOW!

## Supercharge your sportsbook with Virtual Football

If there's one thing that gets football fans across the globe excited, it's tournament football. But what will your customers be betting on, before and after the tournament?

Offer your customers the best of the beautiful game with virtual football betting. With every major betting market, and all the official teams from this year's competition.

### How does it work?

It's non-stop action with 24/7 betting in short cycles. So you'll satisfy even the most football-hungry fans with a whole tournament in just a few hours.

### What do you get?

Over 1,000 betting opportunities for every competition

Access to the main markets including multiples

All 32 qualified national teams

64 matches for each tournament cycle

Simple and seamless integration using our Remote Game Server
